ENVIRONMENTAL POLICY

We, at Infostretch Corporation and its affiliates, d/b/a Apexon, are fully committed to continual improvement to enhance our environmental performance, through constant review, in order to achieve an effectively controlled Environmental Management System to meet the requirements of ISO 14001:2015. This Policy is applicable to all areas of our business to achieve our overall purpose to provide the best quality services to our customers. To achieve it, we shall strive to:

- Protect the Environment in all aspects of our business and to significant aspects of our operations, to prevent adverse environmental effects
- Recycle / Reuse materials wherever possible
- Minimize the environmental impact, for the life cycle (including disposal) of all physical assets under our control.
- Comply with legislation regulations & relevant Codes of Practice, always (our compliance obligations)
- Monitoring our progress through regular review of Objectives, Targets and Management Programs
- We shall work in collaboration with Local and National Government bodies, enforcing and regulatory authorities, and specialists to seek advice and assistance towards achievement of our Environmental Management Program to its full potential.
- Where no laws, regulations or codes of practice exist, we will develop our own standards to allow for the best practicable and financially viable environmental option, not entailing significant and detrimental costs to the Company, whilst considering public, local and interested parties' opinions.

Vinu Venkatesh

Group CFO & Chief Administration Officer
